POMPEII PIZZA

Pompeii Pizza was established in 2009. We are now a well-recognised Cork brand with a reputation for authenticity and quality.

We create authentic pizza from the finest ingredients, with a distinctive wood-fired flavour. From the outset we strove to develop an excellent-quality product. We prioritise local suppliers at every opportunity. Some of our key suppliers include Kells Wholemeal, Gubbeen Somkehouse, O'Flynn's Gourmet Sausages, Toons Bridge Dairy and The Real Olive Company.

We focus on creating the
tastiest traditional pizza
from the finest ingredients,
baked in our custom-built,
wood-fired ovens.
